"I'm 10 and my Grandma died. I cry and miss her all the time but the Kid's Camp helped me to remember her in a good way."

Your gift creates an impact:

Your generosity will leave a positive, lifelong impact on your community and the families that Peace Arch Hospice Society supports.

\$20/month

Provides 2 volunteers with 30 hours of specialized training to support your loved ones in their greatest time of need.

\$50/month

Sends 1 child to our Children's Grief Support Camp to learn coping skills after the death of a loved one.

\$100/month

Provides 12 grief support sessions with a Registered Clinical Counsellor.

Any monthly donation amount is greatly appreciated.

Your support allows us to...

Act quickly. Monthly donors ensure we can respond to the needs of the community without being forced to fundraise first. Eg. Going into the school class room to support children that have experienced the death of a classmate, or the growing need to support those in our community affected by sudden death.

Provide predictable revenue. Monthly giving helps Peace Arch Hospice Society avoid peaks and valleys of revenue, ensuring we can spend more time on strategic planning, volunteer training, and program development – and less on fundraising.

Sustain our work. Hearts for Hospice supports the day-to-day work of Peace Arch Hospice Society and demonstrates an ongoing commitment to supporting those who are dying or grieving.

"Mom decided to move into Hospice with the hopes of finding peace and tranquility as well as hoping to complete her journey with dignity. Thank you all for giving her those last few gifts."
